

Project Submission Guidelines

1. Time Management:

- Ensure you adhere strictly to the deadlines. Timeliness is crucial.

2. Proper Documentation:

- Along with your project submission, prepare and submit proper documentation detailing your project. This documentation should include:
 - **Project Overview:** A brief description of your project.
 - **Objectives:** The main goals and objectives of your project.
 - **Methodology:** The approach and methods you used to complete the project.
 - **Challenges:** Any challenges or hurdles you faced and how you overcame them.
 - **Conclusion:** The final outcome and any recommendations or future steps.

3. Originality:

- Your project must be original and not copied from any source. Plagiarism will result in the cancellation of your project submission.

Note: Regularly update your LinkedIn profile with your progress and achievements, as it is crucial for your career.

Project Requirements

Front-End Developer Requirements

- **Responsive Design:** Ensure the website is fully responsive and works seamlessly across different devices and screen sizes.
- **Consistent Design Language:** Use a consistent color scheme, typography, and layout throughout the website.

Front-End Development

Submission Date: - 16-08-2024
